

# DELHI METRO Caring for you!

## Be sure your step is secure

### ESCALATOR

- ▶ Hold the handrail while using the escalator
  - ▶ Stand facing forward
  - ▶ Hold children firmly
  - ▶ Keep feet within yellow lines
- ▶ Do not use the escalator when it is not working
- ▶ Move away from escalator after reaching the destination
- ▶ In case of emergency, **press emergency stop switches** located at the bottom, top & centre of the escalator

### ELEVATOR

- ▶ Stand clear of the doors
- ▶ Do not keep your hand on the doors
- ▶ Press destination button
- ▶ If the doors of the elevator do not open, use alarm button/intercom and wait
  - ▶ Do not open the doors with force
  - ▶ If there is a fire in the building, use the stairs
