- Where a work is undertaken by a group, only that portion of the contract which is undertaken by the concerned applicant/member should be indicated and the remaining done by the other members of the group be excluded. This is to be substantiated with documentary evidence.

**1.1.3.3 Bid Capacity:** The tenderers will be qualified only if their available bid capacity is more than the approximate cost of work as per NIT. Available bid capacity will be calculated based on the following formula:

Where,

**A** = Maximum of the value of construction works executed in any one year during the last five financial years (updated to 28.02.2015 price level assuming 5% inflation for Indian Rupees every year and 2% for foreign currency portions per year). This will be taken from the PQ submission of the tenderer. (Appendix :6)
