Reply of DMRC with regard to clarifications/suggestions requested by participants of Pre-Bid Meeting for licensing of advertisement rights on Delhi Metro smart Tokens held on 03.08.2015

Sr No.	Clarification sought by participants	DMRC's Reply/clarification
1.	DMRC have not specified the circulation and distribution of the smart tokens after submission of artwork.	The advertised Smart Tokens will be distributed to demand generated stations for sale within 45 days of receipt of Art Work in DMRC in terms of Draft License Agreement provided in RFP.
2.	We work as a manufacturer. So we have tin no. instead of service tax no. Sir can we submit the service tax no. after tender confirmation of smart tokens. Other documents with pay order as per your requirements will be submitted accordingly.	DMRC will charge Service tax from licensee. Therefore, service tax registration certificate is not a mandatory requirement from bidders.
