

Contract NS-03: Design, Manufacture, Supply, Installation, Testing and Commissioning of Half Height Platform Gates, Supply of Spares and Training of Operation & Maintenance personnel for Noida – Greater Noida Metro Project.

S. No.	Query of Prospective Bidder	DMRC's Reply
1	<p>Your kind attention is invited to para F.1 of Annexure 2 to ITT forming part of the Tender Documents of Tender No. NS03. This para permits <i>"the bidder, however, may add additional milestones in a Cost Centre provided such milestones genuinely relate to that cost centre activities"</i></p> <p>However, while preparing the pricing document in excel file named "NS03 BOQ.xls" provided as part of the tender documents, it is seen that the said file does not permit adding milestones, which is permissible under para F.1 of Annexure 2 to ITT as mentioned above.</p> <p>Under the circumstances, it is requested that we may be permitted to upload our own file as pricing document (BOQ) instead of using file NS02 BOQ.xls provided in the tender document as this file does not permit option of adding new milestones permitted under para f.1 of Annexure 2 to ITT.</p>	<p>Please refer item No. A9 under Cost centre A (i.e., "Any other item(s) considered necessary to comply with the scope of works").</p> <p>In respect of other Cost Centres Please refer Addendum-2.</p>
