- IX. Tenderer (any member in case of JV/consortium) must not have suffered bankruptcy/insolvency during the last 5 years. The tenderer should submit undertaking to this effect in Form No 10 to section IV (Bidding Forms)

C. Financial Capability

1. Liquidity and Banking reference:

This information will be seen from the balance sheets/annual statements and from the banking reference submitted by the tenderer in terms of Para a (i) of Evaluation Criteria. The documents including banking reference, should show that the tenderer has access to or has available liquid assets, lines of credit and other financial means to meet cash flow of **Rs. 3.02 Crores** for this contract, net of tenderer's commitments for other contracts.

Net current assets (liquidity) = (current assets + loans and advances) – (current liabilities + provisions)

In case the tenderer comprises of joint venture /consortium /group/ Partnership, if one member has the required liquidity, it will be considered adequate.

The banking reference should be from a Scheduled Bank in India or (in case of foreign parties) from an international bank of repute acceptable to DMRC as per standard performa provided in Form No 11 to section IV (Bidding Form) and it should not be more than 3 months old as on date of submission of bids.

2. Net worth :

This information will be calculated from the annual statements and the net worth (Average of last two years) should be at least **Rs. 4.22 Crores**.

Net worth = Total assets – Total External liabilities

In case the tenderer comprises of joint venture /consortium /group/ partnership, if one member has the requisite net worth, it will be considered adequate provided other member(s) have no negative worth.

3. Bid Capacity Evaluation:

The tenderers will be qualified only if their available bid capacity is more than the approximate cost of work as per NIT. Available bid capacity will be calculated based on the following formula:

Bid capacity will be calculated based on the following formula:

$$\text{Available Bid Capacity} = 2 * A * N - B$$

Where A = Maximum value of works executed in any one year during last 5 years (updated to **31.01.2016** price level assuming 5% inflation for Indian rupees every year and 2% for Foreign Currency portions per year)

N = No. of years in which work has to be completed

B = Value (at **31.01.2016** price level) of existing commitments and on-going works to be completed during next one year. This data should be certified by Company Auditor/ Chartered Accountant along with his signature and seal.

Note:

In case of a Group, the above formula will be applied to each member to the extent of his proposed participation in the execution of the work. The Bid Capacity of the Group will however be the sum total of the Bid Capacity of each member of the Group. If the proposed % participation is not mentioned then equal participation will be assumed.
