1	ITA	A2.9	13,14	<p>Performance Criteria: The system offered shall be designed for highest reliability and availability. The average availability should be between 99.9 to 99.95%.</p>	<p>We understand that availability of 99.9 % to 99.95% shall be ensured at system level considering 4 SFC's in the system and not at individual SFC level. Kindly confirm.</p>	<p>Availability shall be calculated for all the 4 SFCs collectively.</p>
2	ITA	A2.9	14	<p>Performance Criteria He shall also carry out all statutory tests necessary for obtaining sanction of Competent/Statutory Authorities.</p>	<p>Kindly define all statutory tests to be conducted for obtaining sanction.</p>	<p>To be discussed during RFP.</p>
3	ITA	A3	14	<p>The EOIs for this Contract will be considered only from those companies,corporation, partnerships, consortia and joint ventures who pass the Initial Eligibility Based on submissions with the EOI.</p>	<p>In computing the Technical Capacity and Net Worth of the Applicant/Consortium Members, the Technical Capacity, financial capacity and Net Worth of their respective associates would also be eligible hereunder. For purposes of this RFQ, Associate means, in relation to the Applicant/Consortium Member, a person who controls, is controlled by, or is under the common control with such applicant/Consortium Member (the "Associate"). As used in this definition, the expression "control" means, with respect to a person which is a company or corporation, the ownership, directly or indirectly, of more than 50% (fifty per cent) of the voting shares of such person, and with respect to a person which is not a company or corporation, the power to direct the management and policies of such person by operation of law. We request you to allow the structure as "Associates" based on above.</p>	<p>To be discussed during 2nd Pre - EOI on 18th April, 2017</p>

1	ITA	A2.5	13	The contract period will be 37 years (considering 2 years for initial supply and commissioning and considering the life cycle of each SFC as 35 years)	SFC installation space will be created and handed over gradually to ensure no disruption to metro traffic in Line-3 & 4. In such a case clarity on the calculation of the life cycle period including commissioning is needed, i.e. 37 years period will commence from which date.	Contract period of 37 years shall commence from the date of LOA.
