SECTION 1 PROJECT BACKGROUND

1. PROJECT BACKGROUND

1.1. Introduction

1.1.1 Delhi Metro Rail Corporation (DMRC), a joint venture of the Government of India (GOI) and the Government of the National Capital Territory of Delhi (GNCTD) implementing the Delhi Metro Rail Projects, has been mandated by Ministry of Urban Development (MoUD) to undertake value capture from property development initiatives for sustainable revenue generation and part financing Delhi MRTS Project. Ministry of Urban Development has also issued an order permitting DMRC to carry out Property Development in lands allotted for Delhi MRTS Project vide Order No. K-14011/8/2000 - MRTS (Pt.) dated 30 March, 2009.

1.1.2 DMRC has been allotted land parcels by UP Government in pockets measuring 54932 Sqm (approx.) at right bank of Agra Canal on permanent basis for Phase-III of Delhi MRTS Project under Line-8. DMRC has constructed Jasola Vihar Metro Station, Multi Modal Integration of the station and also elevated stabling yard for the judicious utilization of the allotted land parcel and the footprint below the Jasola Vihar Stabling Yard and Station has been proposed for warehouse development. Total available land parcel for warehouse development is bifurcated in three pockets below the stabling yard and station for warehouse development. The balance area available for warehouse development is 43833 Sqm. The area proposed for warehouse development by DMRC is protected by boundary wall. The Master Plan of Delhi -2021 under “Table 12.7: Development Control for Transportation” s.no.8 allows development at Metro yards (Annexure-9). Hence, as a part of property development initiative the land parcels available at Jasola Vihar Stabling yard is proposed for Warehouse development following the development control norms of warehouse. The total Floor area as per MPD 2021 applicable (@0.80 of plot area) is 35067Sqm. Apart from Metro rail accessibility, the site is very close to Mohan Estate, Jasola, Jasola Vihar, Kalindi Kunj, Botanical Garden, SaritaVihar, Faridabad and Noida. The site has excellent connectivity with Noida through KalindiKunj, Gurgaon with MahrauliBadarpur road, and Hazrat Nizamuddin Railway Station through Delhi – Agra highway. The strategic location of this plot within Delhi make this site attractive for warehouse development.

1.1.3 This site is located below Jasola Vihar Stabling yard and Jasola Vihar Station of Phase-III (Line-8) of Delhi MRTS Project. It is proposed to carryout warehouse development on this plot through a developer for this tender. The site is being offered on “as is where is basis”. As per table 8.1 of MPD 2021, applicable Development norms for property development at this site are as under:

(i) FAR	:	80
(ii) Ground Coverage	:	30%.

1.1.4 As per the Zonal Development plan Zone-F, the land fall in the Jasola Residential use area. However, the plot has been utilized for construction of Station building, multi modal

integration and elevated Stabling yard therefore, warehouse development below the vacant land below station and stabling yard is proposed for warehousing. The control norms of TOD are not feasible due to security and safety of station and the stabling yard. Indicative layout of this plot is detailed under Annexure-6.

- 1.1.7 Through this tender, it is envisaged to transfer sub-lease rights to a selected developer for a period of 30 (Thirty) years from the commencement date to utilise the site for warehouse development making use of available ground coverage and FAR as permitted under MPD 2021.
